

"I'm an 'Electrate Ulmerian'"

NOT "digital literacy"	Uses Puns and puncepts to order fast food	Referred to Ulmer as "The Sage" in a casual conversation	Went to an art exhibit just because Mark Amerika was in it	Pulls up Ulmer's orality/literacy/electracy chart/table at a bar or party
Uses dreams, tarot cards, or the I-Ching to locate unexpected patterns of thought	Apparatus NOT Medium	"Konsult"	"Theo-praxis"	Uses cartoon clips to explain high theory concepts
"Mystery"	Heuretics OVER Hermeneutics	FREE	"Becoming what you are"	"Flash Reason"
Discusses Mickey Mouse/ Disney as seriously as Plato/Academe	Has Seen all the Ulmer YouTube videos	Reads Derrida through the lens of Ulmer, not vice versa	Third Sophistic	Aesthetics NOT Science
Wonders which "tutee" will get to create the Ulmer Archive	Is still not sure about the "Mystery" exercise	Prefers punchlines to jokes over "logical" conclusions	Has Students create videos, social media personae, and/ or websites/ blogs	"Disaster" and/ or Artificial Stupidity
